

Crimp Tool

Take the strain
 out of cable crimps.
 This tool has your
 comfort in mind.

FEATURES

- » Delivers more than 50,000 crimp cycles and has a double-plated jaw that increases its lifespan.
- » Soft, rubber-embedded handles and reduced grip distance.
- » Changing Die Sets doesn't require a screwdriver.
- » Order only the Die Sets you need.
- » Requires less hand force to crimp — even at the last click in a cycle.
